Ingredients

Salt, dicalcium phosphate, roughage products, zinc methionine complex, calcium carbonate, vitamin E supplement, potassium sulfate, magnesium sulfate, potassium chloride, molasses products, selenium yeast, animal fat (preserved with BHA, BHT, citric acid and propyl gallate), mineral oil, manganese sulfate, magnesium oxide, dried whey, natural & artificial flavors, sodium selenite, plant protein products, thiamine mononitrate, copper proteinate, ferric oxide, l-lysine, beta-carotene, ferrous sulfate, vitamin A supplement, dl-methionine, choline chloride, vitamin D₃ supplement, l-ascorbyl-2-polyphosphate (vitamin C), biotin, vitamin B₁₂ supplement, niacin supplement, d-calcium pantothenate, menadione sodium bisulfite complex, riboflavin supplement, calcium iodate, cobalt sulfate, pyridoxine hydrochloride.

Feeding Directions

- Use free choice and replenish every 3-5 days, or top dress over a professionally manufactured feed at about 0.5 oz per day for an adult alpaca.
- Feed llamas at 0.15 oz per 100 lb. body weight.
- When first introduced, it often takes 7-10 days for the animal to enjoy the taste.
- Consumption will vary with animal's use, weather conditions, and quality of available forage and feed.

DO NOT FEED TO SHEEP DUE TO
HIGH LEVELS OF SUPPLEMENTAL COPPER.

Storage Conditions

Store in a cool (75°F or colder), dry (approximately 50% RH) location. For best results, store contents in container with sealing lid. Freezing will not harm the product and may extend freshness. Use within 1 year of bag manufacturing.
