Storage Conditions

For best results, tightly affix lid on container after removal of required dosage. Store in original container in a cool (75°F or colder), dry (approximately 50% RH) location. Use within 1 year of lot code date.

Note: tablet coating may become speckled with exposure to air – this is not indicative of any vitamin degradation.

¹ Based on the latest ingredient analysis information. Since nutrient composition of natural ingredients varies, analyses will vary accordingly.
