- Mazuri® Ogata is suitable for all koi over twelve inches long. For the same nutrition in different particle size, consider:
  - Mazuri® Koi Platinum Bits - suitable for fish up to six inches.
  - Mazuri® Koi Platinum Nuggets - suitable for fish greater than six inches long.
- Feed only as much as fish will readily consume.
  - Do not over feed as excess feed will decompose in the water, resulting in poor water quality, which in turn can be harmful to the health of the fish.
