

Mazuri® Llama Diet High Fiber, Coarse

(Available through a Mazuri® retailer.)

Formula - 5Z02

Description

Mazuri® Llama Diet High Fiber, Coarse is a mixture of pellets and grains designed to provide energy in addition to that from pasture and forage.

Features and Benefits

- **Coarse feed (mix of pellets and grain)** - More suitable for some animals that eat quickly.
- **Added vitamin E and selenium** - Reduce or eliminate the need to supplement.
- **Reduced level of copper** - Especially designed for llamas.
- **Contains natural vitamin E** - Highly available form of vitamin E.
- **Provides extra energy** - Maintain body weight and milk production.

Product Form

Textured feed: 5/32" pellet with grain

- 50 lb. net weight paper sack

Vitamin K (as menadione), ppm.....	0.0

Storage Conditions

For best results, store contents of open bag in container with sealing lid. Store in a cool (75°F or colder), dry (approximately 50% RH) location. Use within 1 year of bag manufacturing.

¹ Based on the latest ingredient analysis information. Since nutrient composition of natural ingredients varies, analyses will vary accordingly.

² Calculated based on nutrient data from NRC of Small Ruminants (2007).
