

Mazuri® Mini Pig Elder

(Available at www.mazuri.com or through a Mazuri® retailer)

Formula Code – 5Z92

Description

Mazuri® Mini Pig Elder is a low-energy, high-fiber diet that was specially formulated to meet the needs of exotic miniature pigs, such as the Vietnamese potbellied pig. This formulation is designed to restrain growth rate while helping to satisfy hunger. This ration can be used as a maintenance diet for adult animals that are not reproducing or lactating.

Features and Benefits

- **Low-energy, high-fiber ratio** - To support the health of less active mature animals.
- **Complete nutrition** - Supplemental vitamins and minerals not required.
- **Amino acid balanced** - Provides the amino acids needed in elder stage.
- **Pellet form** - Easy to feed; minimizes waste.
- **Zinc methionine and natural vitamin E** - Provides for better skin condition.
- **No meat products.**
- **Urine acidifier and Yucca extract added** - To address urinary calculi and ammonia in urine.
- **Added flaxseed** - To support skin and immune system health.

Product Form

Pelleted feed: 5/32" diameter x 1/2" length.

- 25 lb. net weight paper sack

0001503

Guaranteed Analysis

Crude protein not less than 12.0%
Lysine not less than..... 0.75%
Crude fat not less than 3.0%
Omega 3-Fatty acids not less than 0.75%
Crude fiber not more than 12.0%
Moisture not more than 12.0%
Ash not more than 8.0%

Calcium not less than 0.80%
Calcium not more than 1.3%
Phosphorus not less than 0.75%
Salt not less than 0.10%
Salt not more than 0.60%
Selenium not less than 0.30 ppm
Zinc not less than 250 ppm

Ingredients

Ground corn, wheat middlings, ground oats, dehydrated alfalfa meal, ground soybean hulls, flaxseed, cane molasses, calcium lignin sulfonate (pellet binder), dicalcium phosphate, soybean oil, calcium carbonate, dried beet pulp, l-lysine, ammonium chloride, salt, choline chloride, biotin, zinc methionine complex, pyridoxine hydrochloride, dried yucca shidigera extract, calcium pantothenate, d-alpha-tocopheryl acetate (form of vitamin E), ferrous sulfate, l-tryptophan, folic acid, preserved with mixed tocopherols (form of vitamin E), cholecalciferol (vitamin D₃), vitamin B₁₂ supplement, vitamin A acetate, menadione sodium bisulfite complex (source of vitamin K), copper sulfate, rosemary extract, citric acid, riboflavin, thiamin mononitrate, nicotinic acid, dl-methionine, manganese sulfate, manganous oxide, zinc sulfate, ethylenediamine dihydriodide, basic copper chloride, sodium selenite.

Feeding Directions

- Feed Mazuri® Mini Pig Elder to pigs previously fed Mazuri® Mini Pig Active Adult or to less active senior or overweight mini pigs. Mix this product with equal amounts of prior product for at least 3-5 days to help adjust animals to new feed.
- The level of feed intake depends on many factors some of which include: environmental temperature, other foods available, level of activity and social hierarchy.
- For maintenance of adult animals (1 1/2 years of age or older), regulate feed to a level which maintains body weight without putting on excess fat. A level of 1.0 - 2.0% current body weight works well for many owners. Active animals may require more feed. Measuring of food by weight is recommended; see Feeding Rate table.
- When using a self-feeder, make sure it is adjusted for minimize feed wastage.
- Always provide animal with plenty of fresh, clean water.

Storage Conditions

For best results, store contents of open bag in container with sealing lid. Store in a cool (75°F or colder), dry (approximately 50% RH) location. Use within 1 year of bag manufacturing.
